Expand opportunities, Increase top line revenue

This module is for those who have either been through or about to go through some sort of change in the workplace.

Participants learn to understand the nature of change and examine its impact on their own feelings and level of commitment.

They learn to identify typical negative reactions to change and develop personal strategies to re-focus their energies on a new and inspiring purpose.

Key Learnings Are...

- ✓ Understand the impact of change in the workplace and discretionary energy
- ✓ How to identify typical negative reactions to change
- ✓ How to manage yourself and others through the change.
- ✓ Develop personal strategies to re-focus their energies towards a positive outcome.
